

Ranga Shyam Kumar Sadhu

Freelancer

Results-driven **Web Developer** with expertise in **Front-end** and **Back-end** technologies, including **HTML, CSS, JavaScript, React, Node.js**, and **MongoDB**. Passionate about **Cybersecurity, Competitive Programming**, and **UI/UX Design**. Proven track record in creating responsive, user-friendly web applications with a focus on performance and scalability. Enthusiastic about **Video Editing** and continuously expanding knowledge in emerging technologies. Seeking to leverage my technical skills in a collaborative, growth-oriented role.

Work Experience

Web designer (studied) at Brilliant Education Computer , Ongole

SEPTEMBER 2022 – JUNE 2023

- **Web Development:** Completed an in-depth course in **Web Development**, learning the core technologies such as **HTML, CSS, JavaScript**, and **React**. Designed and developed responsive, interactive websites and applications, ensuring a seamless user experience across different devices.
- **UI/UX Design:** Applied principles of **UI/UX design** to create intuitive interfaces. Worked on wire framing, user flows, and visual design using **Adobe XD** and **Figma**, enhancing usability and accessibility in every project.
- **Project Portfolio:** Created and regularly updated a **personal portfolio website** to showcase various web development projects, multimedia designs, and video editing work. Integrated dark/light mode, interactive animations, and other user-friendly features.

Multimedia & Graphic Design (studied) at Brilliant Education Computer , Ongole

SEPTEMBER 2022 – JUNE 2023

- **Photoshop:** Designed promotional banners, logos, and website graphics for various projects. Focused on image manipulation, photo retouching, and creating professional layouts.
